Bathing Services (Dogs): All dogs that board **2 or more nights** with us will receive a complimentary exit bath with ear cleaning. **Disclaimer:** Our complimentary exit baths are **not recommended** for long-haired dogs or doodle breeds, as they do not include a brush-out, which can lead to matting. To ensure proper coat care, we recommend a professional **Bath & Brush** with one of our groomers, which besides the bath & complete brush out, also includes a nail trim, external anal gland expression and a facial scrub. As a special offer, we provide a **\$10 discount** on any Bath & Brush service for our guests choosing this option during their boarding stay instead of the complimentary bath.

I choose to waive the Bath & Brush promotion & elect the exit bath with ear cleaning.

Please check the boxes below for any **extra services** your pet may need.

Nail Grinding - \$25.00

Internal Anal Glands - \$21.00

Professional Grooming Services (Dogs): Please check a box below if you would like your pet to be groomed by one of our professional groomers.
